

EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION POLICY STATEMENT

Federal and state laws prohibit employment discrimination. As President of Huhtamaki, I am committed to the principles and practices of equal employment opportunity and reaffirm our intent to comply with federal, state, and local laws and regulations prohibiting discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other protected characteristics. Our intent is to ensure that personnel actions are administered in compliance with these laws and in conformance with our Affirmative Action Program (AAP). Personnel actions include, but are not limited to: employment, promotion, transfer, recruitment or recruitment advertising, layoff or termination, recall from layoffs, company-sponsored educational, social, and recreational programs, benefits, rates of pay or other forms of compensation, and training.

The local HR managers/EEO Coordinators, are responsible for the implementation and administration of the various Huhtamaki AAPs. With the cooperation and assistance of appropriate staff and operating personnel, the HR managers/EEO Coordinators will monitor their facilities' performance and report the results to the local Plant Managers. Data may include outside hires, promotions, transfers, terminations, identification of problem areas and, if necessary, a recommended plan of action.

The Affirmative Action Program for Individuals with Disabilities and Protected Veterans is available for review by any employee or applicant for employment during normal business hours by contacting the Corporate HR Manager/ EEO Coordinator, Jack Brekke, at 913-583-8856. Employees or applicants with questions regarding Huhtamaki AAPs may contact Mr. Brekke.

Discrimination on-premises or on-the-job will not be tolerated. Employees of, and applicants to, Huhtamaki will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have filed a complaint, assisted in a review, investigation or hearing, or have otherwise sought to obtain their legal rights related to any federal, state, or local law regarding equal employment opportunity. Personnel found guilty of violating this directive will be subject to discipline and possible termination.

I ask your continued support in attaining Huhtamaki's objective of equal employment opportunity.

Clayton J. Dunn
