

Envirable[™] molded fiber lids

As a leading manufacturer of packaging solutions, Huhtamaki is continuously expanding its range of products. Introducing our new generation of fiber lids.

Huhtamaki

Molded fiber lids

- Suitable for enjoying both cold and hot beverages, reducing the number of SKUs.
- The highly functional design with a round sip hole makes it possible to sip drinks with or without a straw.
- Offers a sustainably sourced alternative to plastic lids. Choosing a molded fiber lid supports your efforts to reduce plastic waste.
- Designed to ensure a secure lid fit with paper cups.

Sustainable Features

- Made from fiber certified according to FSC® Mix 70% ensuring that fiber used comes from responsible sources.
- Compostable.
