# Envirable™ Recycled Clear Cups

**NEW!**

- Resource-friendly cups made from rPET, a material derived from recycled PET bottles.
- Offers excellent clarity for cold applications such as smoothies, juices and all other types of cold drinks.
- Designed to ensure strength, reliability and functionality.
- Our range of recycled clear cups provide a safe, high-quality and shatterproof alternative to glassware.
- One lid fits all four cup sizes, reducing the number of SKUs. Common lid size increases efficiency.
- Available in clear or custom print to promote your brand.

## Sustainable Features

- Made in the USA.
- Cups made from 100% recycled material, diverting plastic waste from landfills.
- Made from recyclable PET #1. Check locally; may not be recycled in your area.
